## Information/Bio:

David has been serving with Child Evangelism Fellowship® in Ireland since January 2006. He began as a local worker in the Mid-Ulster Area along with his wife Kathy. For the past 12 years he has been part of the Multimedia Department. Since 2021 David has been in a part time role as a graphic designer in the Department.

The purpose of the Multimedia Department is to equip God's people with tools to help them teach children about the Lord Jesus. With God's help the purpose of this ministry is to produce Evangelistic and Christian Education literature/digital media for teachers, parents, and children. We pray that the literature will be used to reach thousands of children so that they will hear the Gospel message and Christian children disciplined.

### Information

CEF is an interdenominational, international organisation working in over 190 countries around the world. Our passion is to teach the Bible to children in a fun and relevant way.

We are a Bible-centred organisation, whose purpose is:

- To evangelise boys and girls with the Gospel of the Lord Jesus Christ;
- To disciple them in the Word of God;
- To establish them in a local church.

We endeavour to do this through various ministries to children and young people. We are a faith-based mission; all our workers seek to undertake deputation on a regular basis. The main function of deputation is to establish and maintain prayer, financial and practical support among God's people. We do this primarily by speaking in churches, home/house groups or with interested people about the ministry we are involved in.

Keeping this in mind, the purpose of deputation is not primarily to speak at children's meetings, although these can help to develop an interest in missions among the children and young people. Do keep in mind that the primary purpose of deputation is to speak about our ministry.

Thank you for your interest in, and support for, the work of CEF.
