

TEENS CAMP IN DURROW

Thank you for praying for the **Teens Camp** at the FM Centre in Durrow, Co Laois. We had 69 campers (age 12-16) and it was a tight squeeze with leaders too. The theme of this week was "**Encounter**"- people who encountered Jesus. We pray many of these young people will encounter Jesus and live transformed lives! In the evening we looked at relationships (Connections) with those around us. It was a very multicultural camp with different languages heard at different times throughout the day (and night!). It's amazing that we can all come together around God's word and worship Him. The gospel is what unites us.

Pray for these young people. Pray for salvation, for assurance of salvation and for restoration. That God will touch every heart and the Holy Spirit will have freedom to minister to each heart and press on the issues that need to be brought into the light and dealt with. We are thankful that God brings them across our pathway. We are excited to see how God will lead each one and use them. Maybe some will be future camp leaders.

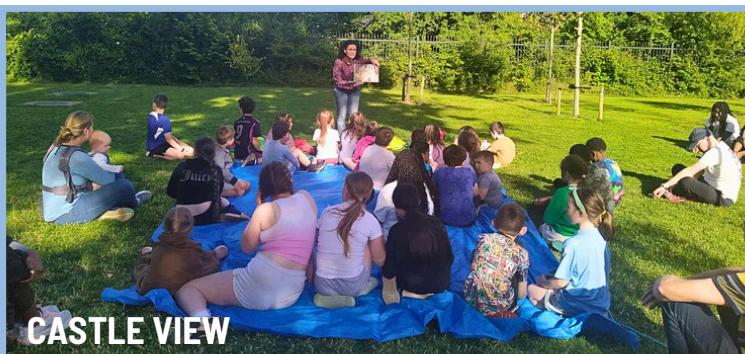

We are planning to have the **Christmas Teens Camp** from the 29th Nov to the 1st Dec in Durrow. Pray that many come. That God would provide leaders and those to help in the kitchen. That this would be a blessed weekend.

OUTDOOR CLUBS

The outdoor clubs started in June this year. **Castle View** in Lucan was the first estate. Again this year we had 50 children attend this club. Many of the parents were asking about the GNCs in the Autumn and if their children could go. We are so thankful for these open doors and for what God is doing in this estate.

The 2 clubs were held in **Edenderry (Co Offaly)** too. Juliet did some outdoor clubs in **Athy (Co Kildare)**. Many of the children come year after year to these clubs. Pray for their salvation. They all received gospels of John and booklets.

Pray that in August, we would know God's favour with the residents and that many children will come to hear the gospel and not just hear it, but see Christ in our lives as we interact with them and their parents.

CASTLE VIEW

PRAISE!

- Recently in June, we were in Waterford for a **Momentum Team** planning and training day. It was so encouraging to see 28 young people come along. So much potential for the Kingdom of God.
- We had a BBQ to finish off **Youth at the Bridge in June** and there was nearly 80 young people there! God has been bringing young people along all year. Many who regularly come bring unsaved friends. Our hearts were full that night and we just praise God for what He is doing among these young people. We will meet on the **27th July** and the **17th August**.
- We had a blessed 2 days at the **WIN family camp** in Castlewellan Castle. Thankful for the fellowship that we have had over the years with this church and their heart for children and young people. In May we did a family camp in Rosnowlagh too with the **ICRM Redeemer Church**. Again so blessed with their fellowship and hospitality.
- We praise God for the many churches that purchased the new **HBC material (Ready, steady, go for God!)** and are using it this summer. We helped at the **Cornerstone Slievebloom Church** kids camp and enjoyed using this material and seeing the children really grasps truths from God's word in a fun and interactive way! Pray that many children will join the race and go for God!

“Therefore I will praise you, Lord, among the nations; I will sing the praises of your name!”
Psalm 18v49

We had our **Kids Camp** in the first week in July and we praise God for many answers to prayer. We had 61 children and we are so thankful for all that God is doing in their little lives. We had quite a few new children at camp for the first time as they are now 8 and can come!

We looked at the **life of Ruth** and how Jesus Christ is the Redeemer. In the evenings, the children heard the life story of **Hudson Taylor**. What was really encouraging at this camp was the singing! At different times throughout the day, on the bus and during the activities you would hear the children just singing and praising God!

Since camp, we've heard of children having little "team times" outside where they live in their housing estates. Where that daily routine of discussing what they have learned from God's word has made an impact. Pray for these children, that the truths taught in this week of camp will take root and bear spiritual fruit!

Thank you for all your prayers! God is blessing the work here in Dublin and we just praise Him. We look to Him for what is to come. Nothing is impossible for God.

PRAYER!

- We would ask you to pray for clubs in August. We will be having **5DCs** as well as **CYIA week**. We will also do a camp for children with Shalom church (19th -21st August) in Portlaoise.
- For venues for the **GNCs** that will open in September. We rent rooms for all the clubs, so pray that God will go before us. Provide the space needed and the leaders too!
- We really want to see more Christmas Clubs happening this year (**The Christmas Together Project**). We always do some Christmas clubs every year but we would really love to be able to invest more time in this, in early Autumn. So that more children can hear the gospel.
- We are praying about a **Young Adults Weekend**. Our Teens Camp during the summer had a long waiting list and we now to need to move some older teens to the next camp. Pray that we would know God's leading in this and how to really encourage these young people in their relationship with God and in serving Him too. We'd love to see them using their gifts for Him.
