Child Evangelism Fellowship

September 2024

This hope we have as an anchor of the soul, both sure and steadfast, and which enters the Presence behind the veil, where the forerunner has entered for us, even Jesus, having become High Priest forever according to the order of Melchizedek.

The month of June seems a distant memory. Over the summer months more than 700 children across the area have been reached with the Gospel through CEF clubs. We thank God for His enabling, strength and wisdom as we have navigated the summer ministries. We also thank Him for His faithfulness over the summer months. In June we conducted a number of 5 Day Clubs in schools. Children were taught 'How to Know Christ,' through the various lessons.

Clubs were also conducted in the Bawnmore estate and in Mossley. In Mossley children played with lego and board games for 30 minutes before having a Bible hour. Lunch was then provided free of charge before children went home. One young boy came to Rachael during the week and asked, "Who pays for all this?" This young boy was touched by the care and love shown to him and the other children.

Bawnmore went well again this year reaching around 13 children across the whole week. It was advertised by the local community group again. We pray that the Biblical truth which was faithfully taught, will fall on the right soil. During the week Seamus, the local Community Worker, helped to hold some of the song visuals. As we sang the songs people walked past. We pray on for souls to be saved and for the truth of the songs to bring people into the family of God.

We had 42 children booked in for camp this year. The Juniors were taught about Ruth and the Inters teaching was on different Biblical characters who had encounters with Jesus. Each night before bed we gathered in the big tent to hear about the life story on Hudson Taylor. Although camp at times was challenging, we believe God was working amongst the children and young people.

Camp Missionary Story on Hudson Taylor

Church based clubs were a real blessing this year with many children being reached. Carrickfergus Baptist witnessed over 100 coming in each night. Greenisland Church of the Nazarene numbers were steady throughout the week averaging 45. Monkstown Baptist fed the children after the Bible hour and witnessed over 50 children being reached with the Gospel.

These doors of opportunity are an answer to your prayers and we sincerely thank you for reading the quarterly updates and praying for the work across the area. Without prayer these doors don't open and the work becomes fruitless. It is our prayer that new volunteers would catch the vision for the lost. We thank God for the group of volunteers that completed the TCE course in the area and we trust that some of them will use what they have learnt on the course to make a difference in their churches and also in South East Antrim.

When I cannot read, when I cannot think, when I cannot even pray, I can trust. I am no longer anxious about anything, as I realise that He is able to carry out His will for me. It does not matter where He places me, or how. That is for Him to consider, not me, for in the easiest positions He will give me grace, and in the most difficult ones His grace is sufficient."
